

Established in 1975, as the electrical trading arm of the Saeed & Mohammed Al Naboodah Group, SMKA Electric LLC is a leading company in the industry and acts as the agent and distributor for a variety of electrical and lighting products. The company has a wide product portfolio to cater to various customer segments. Many developments in the UAE use the quality products supplied and the services rendered by SMKA Electric.

The ISO 9001 accredited company supplies its products to all the major contractors in the region, to over 350 dealers and to end customers through its showrooms across the emirates.

SMKA Electric is one of the most trusted and reliable companies to work with in the region. We constantly strive to provide efficient solutions for a better tomorrow in mutual partnership with our trusted principals.

SMKA is furnished with 360 degree capabilities of design, estimation, supply, distribution, retail, client service and after sales service of renowned electrical and lighting brands like MK from Honeywell, QBO Bettermann, Thorn, Du light, Framon, Elettrocandili, LPI, Switch Made and numerous other eminent international brands.
